Construction will begin Wednesday on ND Highway 22 from New England to Dickinson

Construction work will begin on ND Highway 22 from New England to Dickinson on Wednesday, June 15. The project consists of paving the roadway.

During construction:

- Speeds will be reduced to 35 mph in some areas
- A width restriction of 16 feet will be in place
- Flaggers and pilot cars will be present
- Motorists may experience minimal delays
- Trucks will be entering and exiting the highway

This project is expected to be complete by July 15.

Rear end crashes are the most common in work zones. Motorists are encouraged to slow down, allow extra distance between their vehicles and the vehicles in front of them, use caution, and obey flaggers and posted signs.
